

Solid Foundation®

Every building project begins with a detailed plan.

Bring Your School's Vision to Life

What is it?

Solid FOUNDATION®

ADI's signature program, Solid Foundation®, is a comprehensive blueprint for building strong school communities through a three-year implementation cycle to ensure that all students develop a "solid foundation" as: Self-directed learners, Avid and literate readers, and Responsible people who respect themselves and others.

Turn Research into Results

Solid Foundation® has been shown to provide an effective framework for comprehensive family engagement that results in improved student learning and a thriving school community, and it is now available for only \$3,600 per three-year cycle.

Solid Foundation provides:

- Research-Based Building Block Framework
- Needs Assessment
- Web-Based Documentation
- System-Generated Reporting
- Access to SCN Resource Library
- Structured Team Process
- Policy Analysis
- Agendas to Guide Full Model Implementation
- Web-Based Technical Support
- Investment in High-Impact Strategies
- Ongoing Consultation
- Material based on Alliance for Achievement®
